MEMORANDUM FOR: Edward J. Maloney

25X1

FROM: [redacted]

SUBJECT: Call From DDA Regarding SAFE Support to DIA

25X1

Bill D. called the morning of 5 May. In further discussions with [redacted] Bill urged Frank to contact you to firm up an Agency position concerning DIA's complaint that support will be diluted by the DO's adoption of SAFE.

Apparently this issue is still bubbling, with Frank also having discussions with Dick Kerr. Bill suggests a meeting of the four principals - the two DD's and the two office chiefs - to review the bidding and refine our position.
